Gluten
Friendly

The Government has recently issued guidance, that means we are unable to label the food that we produce as Gluten Free, unless it is prepared in an environment where there is no risk of cross contamination.

Despite precautions, we can not 100% guarantee our food will be free from Gluten as we do not operate a Free From Gluten kitchen.

Our Produce and Suppliers

We care deeply about the food that we source and prepare for you. We spend a considerable amount of time and effort to source local, seasonal, artisan, higher welfare, sustainable and free range products wherever possible.

Our meats are premium, award winning products, that are exclusively selected from higher welfare U.K. farms, ensuring traceability and exceptional quality.
