Breakfast

Thank you for joining us at The Wheelbarrow!

We take great pride in the ingredients we source and the dishes we prepare, carefully selecting local, seasonal and artisan produce wherever possible, with a focus on quality, sustainability and traceability.

Our premium meats are sourced exclusively from award-winning British farms committed to the highest welfare standards, while our breads, pastries and baked goods are handcrafted fresh each day by Frankley's, our in-house artisan bakery.

As a small kitchen team, we always do our best to accommodate requests; however, during busy periods we may be unable to make alterations to dishes or offer items outside of the menu. We greatly appreciate your patience, understanding and support.

We hope you enjoy your breakfast and your time with us.
